MAINTENANCE OF TRAFFIC BULLETIN

WASHINGTON AVENUE STREETSCAPE IMPROVEMENT PROJECT

June 5, 2006 – June 9, 2006

The following construction schedule is subject to change due to weather conditions.

Monday, June 5, 2006 to Friday, June 9, 2006

7th Street and 8th Street from Washington Avenue to Ocean Drive:

Pressure testing and chlorination of the new watermain will be taking place throughout the week on 7th Street and 8th Street from Washington Avenue to Ocean Drive. There will be no traffic flow impacts associated with these activities.

5th Street to 16th Street on Washington Avenue:

There will be sporadic lane closures with moving MOT in order to maintain vehicular traffic on the east and west side of Washington Avenue from 5th to 16th Street. The work will consist permanent pavement striping.

Monday, June 5, 2006 to Wednesday, June 7, 2006

11th Street on Washington Avenue

Installation of an electrical pull box will be occurring on the northwest corner of 11th Street on Washington Avenue. The majority of the work will be taking place on the sidewalk with minor impact to traffic flow of Washington Avenue. The outside travel lane will be closed as needed in order to avoid interference with construction and to assure safety.

Monday, June 5, 2006 to Tuesday, June 6, 2006

7th Street from Washington Avenue to Ocean Drive:

7th Street from Washington Avenue to Ocean Drive will be closed to vehicular traffic during work hours and reopened nightly unless required to remain closed due to any unforeseen circumstances. The intersection at 7th Street and Collins Avenue will remain open as long as it does not interfere with construction or pose a safety hazard. Pedestrian access will be maintained as long as it does not pose a safety risk or restrict construction activities. Deliveries and valet parking will be accommodated as much as possible. The work will consist of trenching in order to install electrical conduits.

Wednesday, June 7, 2006 to Friday, June 9, 2006

8th Street from Washington Avenue to Ocean Drive:

8th Street from Washington Avenue to Ocean Drive will be closed to vehicular traffic during work hours and reopened nightly unless required to remain closed due to any unforeseen circumstances. The intersection at 8th Street and Collins Avenue will remain open as long as it does not interfere with construction or pose a safety hazard. Pedestrian access will be maintained as long as it does not pose a safety risk or restrict construction activities. Deliveries and valet parking will be accommodated as much as possible. The work will consist of trenching in order to install electrical conduits.
